- (i) **Dates and Manner of Payments.** The dates and manner of payment shall be determined by the Committee.
- (j) **Reserve Accounts.** The Committee shall establish and maintain at least two (2) reserve accounts: one to pay for unexpected operating expenses and the other to pay for capital improvements. The reserve accounts shall be funded out of regular Assessments.
- (k) **Acceleration Assessments** shall be paid in the manner and on dates fixed by the Committee who may, at its option and in its sole discretion, elect to accelerate the entire annual Assessment for delinquent Owners. If, however, the annual Assessment is accelerated and an Owner subsequently files bankruptcy or the Committee otherwise decides acceleration is not in its best interest, the committee, at its option and in its sole discretion, may elect to decelerate the obligation.
- (l) **Statement of Assessments Due.** Upon written request, the Committee shall furnish to any Owner a statement of Assessments due, if any, on his Lot. Failure to provide the certificate within ten (10) days after a written request shall be deemed conclusive evidence that all Assessments are paid current. The Association may require the advance payment of a processing charge not to exceed \$15.00 for the issuance of such certificate.
- (m) **Superiority of Assessments_** All Assessments and liens created to secure the obligation to pay Assessments are superior to any homestead exemptions to which an Owner may be entitled.
- (n) **Termination of Utility Service.** At the discretion of the Committee, the utility service to any Owner paid for by Assessments may be terminated if the Owner is in arrears on his obligation to pay Assessments and has failed to cure or make satisfactory arrangements to cure the default after reasonable notice of at least ten (10) days.
- (o) **Suspension of Right to Vote for Non-Payment.** At the discretion of the Committee, the right of an Owner to vote on issues concerning the

Association may be suspended if the Owner is delinquent in the payment of his Assessments, and has failed to cure or make satisfactory arrangements to cure the default after reasonable notice of at least ten (10) days.

- 17. **Special Assessments_.** In addition to the other Assessments authorized herein, the Association may levy special assessments in any year, subject to the following:
 - a) **Committee Based Assessment.** So long as the special assessment does not exceed the sum of Five Hundred and 00/100ths Dollars (\$500.00) (the "Special Assessment Limit") per Lot in any one fiscal year, the Committee may impose the special assessment without any additional approval.
 - b) **Association Approval.** Any special assessment which would exceed the Special Assessment Limit shall be effective only if approved by a majority of the members of the Association. The Committee in its discretion may allow any special assessment to be paid in installments.
- 18. **Specific Assessments_.** The Management Committee shall also have the power specifically to assess the Owners in a particular area pursuant to this Section as, in its discretion, it shall deem necessary or appropriate, subject to the following:
 - a) **No Obligation or Waiver.** Failure of the Committee to exercise its authority under this Section shall not be grounds for any action against the Association or the Committee and shall not constitute a waiver of the Committee's right to exercise its authority under this Section in the future with respect to any expenses, including an expense for which the Committee has not previously exercised its authority under this Section.
 - b) **Enabling Power.** The Committee may specifically assess an Owner in a particular area in the manner set forth below; provided, however, the specific assessment is not for any maintenance, repair or replacement ordinarily required by this Declaration and the Owner has the choice to accept or reject the benefit:
 - 1) **Benefit only To Specific Lot.** If the expense benefits less than all of the Lots, then those Lots benefited may be specifically assessed, and the specific assessment shall be equitably apportioned among those Lots according to the benefit received.

- 2) **Unequal or Disproportionate Benefit.** If the expense benefits all Lots, but does not provide an equal benefit to all Lots, then all Lots shall be specifically assessed, but the specific assessment shall be equitably apportioned among all Lots according to the benefit received.

19. **Individual Assessments.** Individual Assessments shall be levied by the Committee against a Lot and its Owner to reimburse the Association for:

- a) Fines levied and costs incurred in enforcing the Project Documents;
- b) Costs associated with the maintenance, repair or replacement of Common Area damaged by an Owner or resident or which falls within the Area of Personal Responsibility as defined above;
- c) Any other charge, fee, due, expense, or cost designated as an Individual Assessment in the Project Documents; and
- d) Attorneys' fees, interest, and other charges relating thereto as provided in this Declaration.

20. **Collection of Assessments.** Assessments must be paid in a timely manner and shall be collected as follows:

- a) **Time is of the Essence.** Time is of the essence and all Assessments shall be paid promptly when due.
- b) **Delinquent Assessments.** Any Assessments which are not paid when due are delinquent and a lien against the Lot affected shall attach automatically, regardless of whether a notice of lien is recorded.
- c) **Late Assessments and Accruing Interest.** Any Assessments delinquent for a period of more than ten (10) days shall incur a late charge of twenty five Dollars (\$25.00) or five percent (5%) of the delinquent amount, whichever is greater. Interest at the rate of one and ½ percent (1.5%) per month shall accrue on all delinquent accounts. The Committee may, in its sole discretion, change the amount of the late fee or waive late Assessments and accruing interest but is not required to do so.
- d) **Notice of Delinquency.** The Association shall give a notice of delinquency to any Owner who has not paid his Assessments in a timely manner.

- e) **Notice of Lien.** If any Assessment is a notice of lien evidencing the unpaid amounts, accruing interest, late charges, attorney's fees, the cost of a foreclosure or abstractor's report, and any other Additional Charges permitted by law should be filed with the County Recorder. The lien provided for in this section shall be in favor of the Association and shall be for the benefit of all other Owners. It may be executed by the Association's attorney, manager, Committee Member or other designated agent.

- f) **Foreclosure of Lien and/or Collection Action.** If any Assessments remain unpaid, the Association may, as determined by the Committee, institute suit to collect the amounts due and/or to foreclose the lien.

- g) **Personal Obligation.** Each Owner, by acceptance of a deed or as a party to any other type of conveyance, vests in the Association or its agents the right and power to bring all actions against him or her personally for the collection of the charges as a debt or to foreclose the lien in the same manner as mechanics liens, mortgages, trust deeds or encumbrances may be

- h) **No Waiver.** No Owner may waive or otherwise exempt himself or herself from liability for the Assessments provided for herein, including but not limited to the non-use of Common Areas or the abandonment of his Lot.

- i) **Duty to Pay Independent.** No reduction or abatement of Assessments shall be claimed or allowed by reason of any alleged failure of the Association or Committee to take some action or perform some function required to be taken or performed by the Association or committee under this Declaration or the By Laws, or for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Association, or from any action taken to comply with any law, ordinance, or with any order or directive of any municipal or other governmental authority, the obligation to pay Assessments being a separate and independent covenant on the part of each Owner.

- j) **Application of Payments.** All payments shall be applied as follows: Additional Charges, Delinquent Assessments and Current Assessments.

- k) **Foreclosure of Lien as Mortgage or Trust Deed.** The lien for nonpayment of Assessments may be enforced by sale or foreclosure of the Owner's interest therein by the Committee. The sale or foreclosure shall be conducted in the same manner as foreclosures in deeds of trust or mortgages or in any other manner permitted by law. In any foreclosure or

sale, the Owner shall pay the costs and expenses of such proceedings, including but not limited to the cost of a foreclosure report, reasonable attorney's assessments, and a reasonable rental for the Lot during the pendency of the foreclosure action. The Association in the foreclosure action may require the appointment of a receiver to collect the rental without regard to the value of the mortgage security. The Committee may bid for the Lot at foreclosure or other sale and hold, lease, mortgage, or convey the same.

- l) **Appointment of Trustee.** If the Committee elects to foreclose the lien in the same manner as foreclosures in deeds of trust, then the Owner by accepting a deed to the Lot hereby irrevocably appoints the attorney of the Association, provided he is a member of the Utah State Bar, as Trustee, and hereby confers upon said Trustee the power of sale set forth with particularity in Utah Code Annotated, Section 57-1-23 (1953), as amended. In addition, Owner hereby transfers in trust to said Trustee all of his right, title and interest in and to the real property for the purpose of securing his performance of the obligations set forth herein.
- m) **Attorney in Fact.** Each Owner by accepting a deed or other document of conveyance to a Lot hereby irrevocably appoints the Association as his attorney in fact to collect rent from any person renting his Lot, if the Lot is rented and Owner is delinquent in his Assessments. Rent due shall be paid directly to the Association, upon written demand, until such time as the Owner's Assessments are current; and the Owner shall credit the Renter, against rent due, for the amount of money paid to the Association.

- 21. **Liability of Management Committee.** The Association shall indemnify every officer and member of the Committee against any and all expenses, including but not limited to attorney's Assessments reasonably incurred by or imposed upon any officer or member of the Committee in connection with any action, suit, or other proceeding (including settlement of any suit or proceeding, if approved by the then Committee) to which he or she may be a party by reason of being or having been an officer or member of the Committee. The officers and members of the Committee shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct or bad faith. The officers and members of the Committee shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association (except to the extent that such officers or members of the Committee may also be Members of the Association), and the Association shall indemnify and forever hold each such officer and member of the Committee free and harmless against any and all liability to

others on account of any such contract or commitment. Any right to indemnification provided for herein shall be exclusive of any other rights to which any officer or member of the Committee, or former officer or member of the Committee, may be entitled. The Association shall, as a common expense, maintain adequate general liability and officer's and director's insurance coverage to fund this obligation, if such insurance is reasonably available.

- 22. **Insurance.** The Management Committee shall at all times purchase, maintain in force, and pay the premiums for, if reasonably available, insurance on the Common Areas satisfying at least the following requirements:

- a) **Property Insurance.** Blanket property insurance using the standard "Special" or "All-Risk" building form. Loss adjustment shall be based upon replacement cost. For purposes of this sub-section, the term "casualty insurance" shall not mean or refer to "earthquake" or other special risks not included in the standard P. U. D. casualty policy. This additional coverage may be added by the Committee as it deems necessary in its best judgment and in its sole discretion.

- d) **Fidelity Bond.** A separate fidelity bond in a reasonable amount to be determined by the Management Committee to cover all non-compensated officers as well as all employees for theft of Association funds, subject to the following:
 - 1) **Agents.** Furthermore, where the Committee or the Association has delegated some or all of the responsibility for the handling of funds to a management agent, such bonds are required for the management agent's officers, employees and agents handling or responsible for funds of, or administered on behalf of, the Committee or the Association.
 - 2) **Amount of Coverage.** The total amount of fidelity bond coverage required shall be based upon the Committee's best business judgment, but shall not be less than the estimated maximum amount of funds, including reserve funds, in the custody of the Committee, the Association, or the

management agent, as the case may be, at any given time during the term of each bond. Nevertheless, in no event may the amount of such bonds be less than a sum equal to three (3) months' aggregate assessments on all Lots, plus reserve funds.

3) **Quality of Coverage.** The bonds required shall meet the following additional requirements:

- a) They shall name the Committee, the Owners Association, and the Property Manager as obligee;
- b) If the insurance contract or bond excludes coverage for damages caused by persons serving without compensation, and may use that exclusion as a defense or reason not to pay a claim, the insurance company shall, if possible, be required to waive that exclusion or defense;
- c) The premiums on all bonds required herein for the Committee and the Association (except for premiums on fidelity bonds maintained by a management agent for its officers, employees and agents) shall be paid by the Committee or the Association as part of the Common Expenses; and
- d) The bonds shall provide that they may not be canceled or substantially modified, including cancellation for nonpayment of premium, without at least ten days' prior written notice to the Committee and the Association, to any Insurance Trustee, and to each service of loans on behalf of any Mortgagee, and FNMA.

- 5) **Certificate of Insurance.** Evidence of insurance shall be issued to each Owner and Mortgagee upon request.
- 6) **Mortgage Provisions.** Each policy shall contain a standard mortgage clause or its equivalent and shall provide that the policy may not be canceled or substantially modified without at least ten (10) days prior written notice to the Association and to each Mortgagee.
- 7) **Sundry Provisions.** Each insurance policy shall contain at least the following additional miscellaneous items:

- (a) Waiver of Subrogation. A waiver of the right of a subrogation against Owners individually;

 - 10) Primary Coverage. The insurance coverage of an Owner shall, in the event the Association also has insurance covering the loss, be primary and the insurance of the Association shall be secondary.
 - 11) Prompt Repair. Each Owner further covenants and agrees that in the event of any partial loss, damage or destruction of his Lot, the Owner shall proceed promptly to repair or to reconstruct the damaged structure in a manner consistent with the original construction.
 - 12) Disbursement of Proceeds. Proceeds of insurance policies shall be disbursed to repair promptly and reasonably the damages. Any proceeds remaining thereafter shall be placed in the Capital Improvement Reserve Account and retained by and for the benefit of the Association. This is a covenant for the benefit of the Association and any Mortgagee of a Lot, and may be enforced by them

Each policy shall also contain or provide those endorsements commonly purchased by other Associations in similarly situated first class subdivisions in the county, including but not limited to a guaranteed replacement cost endorsement under which the insurer agrees to replace the insurable property regardless of the cost and,; or a Replacement Cost Endorsement under which the insurer agrees to pay up to 100% of the property's insurable replacement cost, but no more, and, if the policy includes a coinsurance clause, an Agreed Amount Endorsement which waives the requirement for coinsurance; an Inflation Guard Endorsement when it can be obtained, a Building Ordinance or Law Endorsement, if the enforcement of any building, zoning or land-use law will result in loss or damage, increased cost of repairs or reconstruction, or additional demolition and removal costs, and increased costs of reconstruction.
 - 14) Restrictions on Policies. No insurance policy shall be maintained where:
 - a) Individual Assessments Prohibited. Under the term of the carrier's charter, by-laws, or policy, contributions may be required from, or assessments may be made against, an Owner, a borrower, a Mortgagee, the Management Committee, the Association, FNMA, or the designee of FNMA.
 - b) Payments Contingent. By the terms of the Declaration by-laws, or policy, payments are contingent upon action by the carrier's board of directors, policyholder, or member; or

- 15) Intent. The foregoing provisions shall not be construed to limit the power or authority of the Association, Committee or Owners to obtain and maintain insurance coverage, in addition to any insurance coverage required hereunder, in such amounts and in such forms as the Management Committee or Association may deem appropriate from time to time.

23. **Destruction, Condemnation, and Obsolescence**. The following provisions shall apply with respect to the destruction, condemnation, or obsolescence of the Project.

a) **Definitions**. Each of the following terms shall have the meaning indicated:

- 1) "Substantial Destruction" shall exist whenever, as a result of any damage or destruction to the Project or any part thereof, the excess of the estimated cost of restoration over the funds available is Twenty five percent (25%) percent or more of the estimated restored value of the Project.
- 2) "Partial Destruction" shall mean any other damage or destruction to the Project or any part thereof.
- 3) "Substantial Condemnation" shall exist whenever a complete taking of the Project or a taking of part of the Project has occurred under eminent domain or by grant or conveyance in lieu of condemnation, and the excess of the estimated cost of restoration over the funds available is Twenty five (25%) percent or more of the estimated restored value of the Project.
- 4) "Partial Condemnation" shall mean any other such taken by eminent domain or grant or conveyance in lieu thereof.
- 5) "Substantial Obsolescence" shall exist whenever the Project or any part thereof has reached such a state of obsolescence or disrepair that the excess of the estimated cost of restoration over the funds available is Twenty five percent (25%) percent or more of the estimated restored value of the Project.
- 6) "Partial Obsolescence" shall mean any state of obsolescence or disrepair, which does not constitute Substantial Obsolescence.

- 7) "Restored Value" shall mean the fair market value of the Project after Restoration as determined by an MAI or other qualified appraisal.

- 8) "Estimated Cost of Restoration" shall mean the estimated costs of restoring the Project to its former condition.

- 9) "Available Funds" shall mean any proceeds of insurance, condemnation awards, payments in lieu of condemnation, and any uncommitted funds of the Management Committee or Association. Available Funds shall not include that portion of insurance proceeds legally required to be paid to any party other than the Association, including a mortgagee, or that portion of any condemnation award or payment in lieu of condemnation payable to the Owner or Mortgagee for the condemnation or taking of the Lot in which they are interested.

- b) **Determination by Committee**. Upon the occurrence of any damage or destruction to the Project or any part thereof, or upon a complete or partial taking of the Project under eminent domain or by grant or conveyance in lieu thereof, the Committee shall make a determination as to whether the excess of Estimated Costs of Restoration over Available Funds is twenty-five percent (25%) or more of the estimated Restored Value of the Project. In addition, the Committee shall, from time to time, review the condition of the Project to determine whether Substantial Obsolescence exists. In making such determinations the Committee may retain and rely upon one or more qualified appraisers or other professionals.

- c) **Restoration of the Project**. Restoration of the Project shall be undertaken by the Committee promptly without a vote of the Owners in the event of Partial Destruction, Partial Condemnation, or Partial Obsolescence and shall also be undertaken in the event of Substantial Destruction, Substantial Condemnation, or Substantial Obsolescence unless the failure to make Restoration is consented to by Owners collectively holding at least sixty-seven percent of the Project's undivided Ownership interest and is further consented to by Eligible Mortgagees holding Mortgages on Lots which have appurtenant at least fifty-one (51%) percent of the undivided ownership interest in the Common Areas and Facilities which is then subject to Mortgages held by Eligible Mortgagees.

- d) **Notices of Destruction or Obsolescence**. Within thirty (30) days after the Committee has determined that Substantial Destruction, Substantial

Condemnation, or Substantial Obsolescence exists, it shall send to each Owner and Eligible Mortgagee a written description of the destruction, condemnation, or state of obsolescence involved, shall take appropriate steps to ascertain the preferences of the Eligible Mortgagees concerning Restoration, and shall, with or without a meeting of the Owners (but in any event in accordance with the applicable provisions of this Declaration), take appropriate steps to determine the preferences of the Owners regarding Restoration.

- e) **Excess Insurance.** If the insurance proceeds condemnation awards, or payments in lieu of condemnation actually received by the Committee or Association exceed the cost of Restoration when Restoration is undertaken, then the excess funds shall be placed in the Capital Improvement Reserve Account and retained by and for the benefit of the Association. This covenant is also for the benefit of the Association and any Mortgagee, and, therefore, may also be enforced by them. Payment to any Owner whose Lot is the subject of a Mortgage shall be made jointly to such Owner and the interested Mortgagee.
- f) **Inadequate Insurance.** In the event the cost of Restoration exceeds Available Funds, all of the Lots shall be assessed for the deficiency on the basis of their respective percentages of undivided Ownership interest in the Common Areas.
- g) **Reallocation in Event of Partial Restoration** . In the event that all or any portion of one or more Lots will not be the subject of Restoration (even though the Project will continue as a planned unit development) or is taken in a condemnation proceeding or pursuant to any agreement in lieu thereof, the undivided Ownership interest in the Common Areas and Facilities shall be immediately reallocated to the remaining Lots.
- h) **Sale of Project.** Unless Restoration is accomplished as set forth above, the Project shall be sold in the event of Substantial Destruction, Substantial Condemnation, or Substantial Obsolescence. In the event of such sale, ownership under this Declaration and the Plat Map shall terminate and the proceeds of sale and any Available Funds shall be distributed by the Committee to the Owners in proportion to their respective undivided interests in the Common Areas. Payment to any Owner whose Lot is then the subject of a Mortgage shall be made jointly to such Owner and the interested Mortgagee.
- i) **Authority of Committee to Represent Owners in Condemnation or to Restore or**

Sell. The Committee, as attorney-in-fact for each Owner, shall represent all of the Owners and the Association in any condemnation proceeding or in negotiations, settlements, and agreements with the condemning authority for the acquisition of all or any part of the Common Areas and Facilities.

- j) **Settlement Proceeds.** The award in any condemnation proceeding and the proceeds of any settlement related thereto shall be payable to the Association for the use and benefit of the Owners and their mortgagees as their interests may appear.
 - k) **Restoration Power.** The Committee, as attorney-in-fact for each Owner, shall have and is hereby granted full power and authority to restore or to sell the Project and each Lot therein whenever Restoration or sale, as the case may be, is undertaken as here in above provided.
 - l) **Right of Entry.** Such authority shall include the right and power to enter into any contracts, deeds or other instruments which may be necessary or appropriate for Restoration or sale, as the case may be.
24. **Consent in Lieu of Vote** . In any case in which this Declaration requires the vote of an Owner for authorization or approval of an act or a transaction, such requirement may be fully satisfied by obtaining, with or without a meeting, consents in writing to such proposed act or transaction from Owners who collectively hold the required percentages, subject to the following conditions:
- a) **Ninety-Day Limit.** All necessary consents must be obtained prior to the expiration of ninety (90) days from the time the first written consent is obtained; and
 - b) **Change In Ownership.** Any change in Ownership of a Lot which occurs after consent has been obtained from the Owner having an interest therein shall not be considered or taken into account for any purpose.
25. **Mortgagee Protection.** The lien or claim against a Lot for unpaid Common Area Assessments levied by the Management Committee or by the Association pursuant to this Declaration or the Act shall be subordinate to any Mortgage recorded on or before the date such Common Area Assessments become due, subject to the following:
- a) **Effects of Voluntary and Involuntary Sale.** The lien or claim against a Lot for such unpaid Common Area Assessments shall not be affected by any sale or transfer of such Lot, except that a sale or transfer pursuant to a foreclosure of the Mortgage affecting such Lot or the exercise of a power of sale available thereunder shall extinguish any debt payable prior to such sale or transfer. Nevertheless, any such unpaid

Common Area Assessments which are extinguished in accordance with the foreclosure or power of sale shall not relieve the purchaser or transferee of such Lot from liability for, nor such Lot the lien of any Common Area Assessments becoming due thereafter.

b) Books and Records Available for Inspection. The Committee or the Association shall make available to the Owners, to Mortgagees, and lenders, and to holders, insurers, or guarantors of any Mortgage current copies of the Declaration, by-laws, Articles of Incorporation, and administrative rules and regulations concerning the Project, as well as the books, records, and financial statements of the Committee and the Association. The term "Available", as used in the Paragraph, shall mean available for reasonable inspection upon request during normal business hours or under other reasonable circumstances. The Association shall have the right to recover its photocopying and service charges incurred in making the inspection and photocopying available.

c) Right to Financial Statement. The holder, insurer or guarantor of any Mortgage shall be entitled, upon written request, to a financial statement for the immediately preceding fiscal year. Any financial statement requested pursuant hereto shall be furnished to the requesting party within a reasonable time following such request.

d) Management Contracts. Any agreement for professional management of the Project, and any contract for goods or services, or any lease which is entered into by the Management Committee or the Association shall provide or be deemed to provide hereby that either party may terminate the contract with or without cause upon at least thirty (30) days prior written notice to the other party thereto.

e) Eligible Mortgagee Designation. Upon written request to the Committee or the Association by the holder, insurer, or guarantor of a Mortgage (which request identifies the name and address of such holder, insurer or guarantor and the Lot Number or address of the property encumbered by the Mortgage held or insured by such holder, insurer, or guarantor), such holder insurer, or guarantor shall be deemed thereafter to be an "Eligible Mortgagee" or "Eligible Insurer" or "Eligible Guarantor," as the case may be, shall be included on the appropriate lists maintained by the Association, and shall be entitled to timely written notice of any of the following:

1) Condemnation Loss or Award. Any condemnation loss or any casualty loss which affects a material portion of the Project or any Lot on which there is a Mortgage held, insured, or guaranteed by such Eligible Insurer or Guarantor.

2) Delinquency. Any delinquency in the payment of Common Area Assessments owed by an Owner of a Lot subject to a Mortgage held, insured or guaranteed by such Eligible Insurer or Guarantor, which delinquency remains uncured for a period of sixty days.

3) Lapse of Insurance. Any lapse, cancellation, or material modification of any insurance policy or fidelity bond maintained by the Committee or the Association.

4) Consent Required. Any proposed action which would require the consent of a specified percentage of Eligible Mortgagees.

f) No Right of First Refusal. The right of an Owner to sell, transfer, or otherwise convey his Lot shall not be subject to any right of first refusal or similar restriction.

26. **Amendment.** This Declaration may be amended as follows:

(a) **Consent of the Owners.** The affirmative vote of at least Sixty seven percent (67%) of the Owners shall be required and shall be sufficient to amend the Declaration or the Plat Map. Any amendment so authorized shall be accomplished through the recordation of an instrument executed by the Management Committee. In such instrument the Committee shall certify that the vote required by this Section for amendment has occurred, and, if approval of a specified percentage of Eligible Mortgagees is required for such amendment, that such approval has been obtained; and

(b) **Consent of Eligible Mortgagee.** The consent of at least sixty-seven percent (67%) of the Eligible Mortgagees shall be required to any amendment which would terminate the legal status of the Project; and the consent of Eligible Mortgagees holding at least fifty-one percent of the undivided Ownership interest in the Common Areas shall be required to add to or amend any material provision of this Declaration or the Plat Map which establishes, provides for, governs, or regulates any of the following: (1) voting rights; (2) increases in assessments that raise the previously assessed amount by more than 25%, Assessment liens, or the priority of assessment liens; (3) reductions in reserves for maintenance, repair, and replacement of the Common elements; (4) insurance or fidelity bonds; (5) limitations and restrictions on the right to use of the Common Areas; (6) responsibility for maintenance and repairs; (7) expansion or contraction of the Project or the addition, annexation or withdrawal of property to or from the Project; (8) the boundaries of any Lot; (9) the percentages of

Ownership interest in the Common Areas; (10) convertibility of a Lot into Common Areas or Common Area into a Lot; (11) the imposition of any right of first refusal or similar restriction on the right of an Owner to sell, transfer, or otherwise convey his Lot; (12) express benefits or rights of Mortgagees, Eligible Mortgagees, or Eligible Insurers or Guarantors; and (13) the requirement that the Project be professionally managed rather than self managed. Any addition or amendment shall not be considered material for purposes of this Paragraph b) if it is for the clarification only or to correct a clerical error. Notice of any proposed amendment to any Eligible Mortgagee to whom a written request to approve an addition or amendment to this Declaration or the Plat Map is required shall be mailed postage prepaid to the address for such Mortgagee shown on the list maintained by the Association. Any Eligible Mortgagee who does not deliver to the Committee or the Association a negative response to the notice of the proposed amendment within thirty (30) days from the date of such mailing shall be deemed to have approved the proposal. The foregoing consent requirements shall not be applicable to amendments to this Declaration and the Plat Map or the termination of the legal status of the Project as a planned unit development. If such amendments or such termination are made or accomplished in accordance with the provisions of this Declaration regarding Condemnation or Substantial Obsolescence.

27. **Notice and Hearing.** In the event a claim is made that a Lot Owner or resident has violated the Project Documents, the Owner or resident shall be entitled to the following:

- (a) **Notice in Writing.** Written notice specifying the nature of the violation (and providing any other appropriate information);
- (b) **Hearing.** The foregoing Notice shall also state the time, date and place when the Owner or resident will have an opportunity to be heard by the Management Committee.
- (c) **Schedule and Manner of Providing Notice.** Written notice shall be given at least fifteen (15) days prior to the date set for the hearing and may be delivered either personally or by mail. If delivery is made by mail, it shall be deemed to have been delivered seventy-two (72) hours after it has been deposited in the United States mail, first class postage prepaid, addressed to the member at the address given by the member to the Management Committee for the purpose of service of notice or to the address of the member's Lot if no other address has been provided. Any address may be changed from time to time by giving written notice to the Management Committee.

(d) **Costs & Assessments.** If the violation, or the failure to correct or remedy a violation, results or may result in the expenditure of funds, the notice shall also state that the Management Committee may vote to assess the adverse party, levy a fine, or impose other sanctions if the Committee finds that a violation has occurred.

(e) **Final Determination.** After the hearing has taken place, the Management Committee shall (1) determine whether a violation has occurred and, if so, may impose a fine or issue sanctions which shall become effective not less than five (5) days after the date of the hearing; or (2) take such other action as may be appropriate. The determination of the Management Committee shall be final. However, nothing herein shall be construed to prevent the Management Committee from making any emergency repairs or taking any other emergency action it deems necessary and subsequently providing Notice and Hearing.

28. **Declarant's Sales Program.** Notwithstanding anything to the contrary, until Declarant has sold all the Lots owned by it in the Project or the expiration of a reasonable sales period following seven (7) years after the date on which this Declaration is filed for record in the office of the County Recorder, whichever first occurs (hereinafter referred to as the "Occurrence"), neither the Owners, the Association nor the Committee shall interfere with the completion of improvements and sale of all remaining Lots, and Declarant shall have the following rights in furtherance of any sales, promotions or other activities designed to accomplish or facilitate the sale of all Lots owned by Declarant:

- (a) **Sales Office and Model Lots.** Declarant shall have the right to maintain one (1) or more sales offices and one (1) or more model Lots, homes or Units at any one time. Such office and/or models may be one or more of the Lots owned by it, or one or more of any separate structures or facilities placed on the Property for the purpose of aiding Declarant's sales effort, or any combination of the foregoing;
- (b) **Promotional.** Declarant shall have the right to maintain a reasonable number of promotional advertising and/or directional signs, banners or similar devices at any place or places on the Property.
- (c) **Common Area Use.** Declarant shall have the right to use the Common Areas of the Project to facilitate sales.
- (d) **Relocation and Removal.** Declarant shall have the right from time to time to locate or relocate any of its sales offices, models, or signs, banners or similar devices, but in connection with each such location or relocation shall observe the limitations imposed by the

preceding portion of this Section. Within a reasonable period of time after the happening of the occurrence, Declarant shall have the right to remove from the Project any signs, banners or similar devices and any separate structure or facility which was placed on the Property for the purpose of aiding Declarant's sales effort.

29. **Limitation on Improvements by**

Association. Until the occurrence described above, neither the Association nor the Committee shall, without the written consent of Declarant, make any improvement to or alteration in any of the Common Areas and Facilities created or constructed by Declarant, other than such repairs, replacements, or similar matters as may be necessary to properly maintain the Common Areas as originally created or constructed by Declarant.

30. **Declarant's Rights Assignable.**

All of the rights of Declarant under this Declaration may be assigned or transferred either by operation of law or through a voluntary conveyance, transfer or assignment. Any Mortgage covering all Lots or Buildings in the Project title to which is vested in Declarant shall, at any given point in time and whether or not such Mortgage does so by its terms, automatically cover, encumber, and include all of the then unexercised or then unused rights, powers, authority, privileges, protection and controls which are accorded to Declarant (in its capacity as Declarant) herein.

31. **Working Capital Fund.**

A working capital fund shall be established by the Declarant to meet unforeseen expenditures or to purchase any additional equipment or services. The initial working capital fund shall be in an amount equal to two (2) months of estimated common assessments for each Lot. Each Lot's share of the working capital fund shall be collected either at the time the sale of any Unit is closed or when control of the Project is transferred to the Lot Owners, whichever first occurs. Any amounts paid into the working capital fund shall not be considered as advance payments of regular monthly assessments. The working capital fund shall be transferred to the Association for deposit to a segregated fund when control of the Association is transferred to the Lot Owners.

The Declarant is prohibited from using the working capital fund to defray any of its expenses, reserve contributions, or construction costs or to make up any budget deficits while it is in control of the Association. When a Lot is sold, however, the Declarant may reimburse itself for monies it has paid the Association for an unsold Lot's share of the working capital fund by using funds collected at closing when the Lot is sold.

32. **Transfer of Management.**

Anything to the contrary notwithstanding, Declarant may at any time relinquish its reserved right to select members of the Committee, and to transfer management of the Project to

the Association. If and when Declarant elects to do so, Declarant shall send written notification to each Owner of the effective date of the transfer (the "Transfer or Transition Date") at least Forty five (45) days prior thereto.

Thereupon, the Owners shall call a meeting to elect the members of their own Management Committee to take office as of the Transfer Date. Declarant covenants to cooperate with the Owners in effecting an orderly transition of management. Moreover, Declarant shall cause all obligations for Common Area expenses of the Committee incurred prior to the Transfer Date to be paid in full on or before such date.

33. **Certain Provisions Applicable to**

Declarant. Notwithstanding any other provision herein contained, for so long as Declarant continues to own any of the Lots the following provisions shall be deemed to be in full force and effect, none of which shall be construed so as to relieve the Declarant from any obligations of an Owner to pay Common Area Assessments or Assessments, except as herein otherwise provided, as to each Lot owned by Declarant in accordance with the Declaration.

(a) Declarant specifically disclaims any intent to have made any warranty or representation in connection with the Project or the Declaration except as specifically set forth herein or in any agreement for sale of a Lot, and no person shall rely upon any warranty or representation not so specifically made therein.

(b) No amendment may be made to the Declaration without the written consent of Declarant so long as Declarant retains the Ownership of five (5) or more Lots within the Project.

34. **Interpretation.**

To the extent Utah law is consistent with this Declaration, such provisions shall supplement the terms hereof and are incorporated herein. The captions which precede the Articles and Sections of this Declaration are for convenience only and shall in no way affect the manner in which any provision hereof is construed. Whenever the context so requires, the singular shall include the plural, the plural shall include the singular, the whole shall include any part thereof, and any gender shall include both other genders. The invalidity or unenforceability of any portion of this Declaration shall not affect the validity or enforceability of the remainder hereof.

35. **Covenants to Run with Land.**

This Declaration and all the provisions hereof shall constitute covenants to run with the land or equitable servitude's, as the case may be, and shall be binding upon and shall inure to the benefit of Association, all other signatories hereto, all parties who hereafter acquire any interest in a Lot or in the Project, and their respective grantees, transferees, heirs, devisees, personal representative, successors, and assigns.

Each Owner or resident of a Lot shall comply with, and all interests in all Lots shall be subject to, the terms of this Declaration and the provisions of any rules, regulations, agreements, instruments, supplements, amendments, and determinations contemplated by this Declaration. By acquiring any interest in a Lot in the Project, the party acquiring such interest consents to, and agrees to be bound by, each and every provision of this Declaration.

36. **Enforcement and Right to Recover**

Attorney's Assessments. The Association, Management Committee, or any Lot Owner may take action, at law or in equity, to enforce the terms, covenants or conditions of the Project Documents. Should the Association, Management Committee or a Lot Owner be required to take action to enforce the Project Documents, or to pursue any remedy provided hereunder or by applicable law, whether such remedy is pursued by filing suit or otherwise, they may recover all Additional Charges, including a reasonable attorney's fee, which may arise or accrue.

37. **Security**. The Association may, but shall not be obligated to, maintain or support certain activities within the Project designed to make the Project safer than it otherwise might be. However, neither the Association nor the Committee shall in any way be considered insurers or guarantors of security within the Project. Neither the Association nor the Management Committee shall be held liable for any loss or damage by reason of failure to provide adequate security or ineffectiveness of security measures undertaken. All Owners and residents, their guests and invitees, as applicable, acknowledge that neither the Association nor the Committee represent or warrant that any security measures undertaken will insure their safety. All Owners and residents, their guests and invitees, acknowledge and understand that the Association and Committee are not insurers of their safety and they hereby assume all risks for loss or damage to their person or property and further acknowledge that the Association and committee have made no representations or warranties, nor have they relied upon any representations or warranties, expressed or implied, including any warranty or merchantability or fitness for any particular purpose, relative to any security measures undertaken within the Project.

38. **Mechanics Liens**. Mechanics liens shall be filed in the office of the County Recorder as follows:

(a) Association/Goods or Services. Mechanics liens for labor, materials or supplies purchased by the Association shall be filed against all Lot Owners in the Project and their appurtenant interest in the Common Area, and shall be indexed in the public records under the name of the Association and Community. If the Association has encumbered the

Common Areas and thereafter defaults on its obligations, the lien holder must exercise its rights against the common Areas before it may proceed against any Lot. Any Owner wishing to release that lien as to his Lot may pay the pro rata share of the total amount of the lien and that shall be sufficient to release the lien against his Lot.

(b) Lot Owner/Goods or Services. Mechanics liens filed for labor, materials or supplies benefiting a particular Lot shall be filed against that Lot and its appurtenant interest in the Common Area.

(c) Constructive Consent. Any person or entity who elects to perform labor or provide materials at this Project agrees to be bound by and subject to the terms of this Section.

39. **Architectural Guidelines and Review**. The

Project is subject to and bound by the following architectural guidelines:

(a) Declarant. Each Lot Owner, by accepting a deed or other instrument conveying any interest in any portion of the Property, acknowledges that, as the developer of the Property and as an Owner of portions of the Property as well as other real estate within the vicinity of the Property, Declarant has a substantial interest in ensuring that the improvements within the Property enhance the Declarant's reputation as a community developer and do not impair the Declarant's ability to market, sell, or lease its property. Therefore, each Lot Owner agrees that no activity within the scope of this Section (the "Work") shall be commenced on such Owner's Lot or Dwelling Unit unless and until the Declarant or its designee has given its prior written approval for such Work, which approval may be granted or withheld in the sole discretion of the Declarant or its designee.

- In reviewing and acting upon any request for approval, Declarant or its designee shall be acting solely in the interest of the Declarant and shall owe no duty to any other Person. The rights reserved to Declarant under this Section shall continue so long as Declarant owns any portion of the Property or any real property adjacent to the Property, unless earlier terminated in a written instrument executed by Declarant and recorded in the Office of the County Recorder of Utah County, Utah.

- The Declarant may, in its sole discretion, designate one or more Persons from time to time to act on its behalf in reviewing applications hereunder. Declarant may from time to time, but shall not be obligated to, delegate all or a portion of its reserved rights under this Section to (a) an architectural review committee appointed by the Management Committee (the

“ARC”), or (b) a committee comprised of architects, engineers or other persons who may or may not be Members of the Association. Any such delegation shall be in writing, specifying the scope of responsibilities delegated and shall be subject to (I) the right of Declarant to revoke such delegation at any time and reassume jurisdiction over the matters previously delegated and (ii) the right of Declarant to veto any decision which Declarant determines, in its sole discretion, to be inappropriate or inadvisable for any reason. So long as the Declarant has any rights under this Section, the jurisdiction of the foregoing entities shall be limited to such matters as are specifically delegated to it by the Declarant.

(b) Association. Upon delegation by Declarant or upon expiration or termination of the Declarant’s rights under the foregoing Section, the Association, acting through the ARC, shall assume jurisdiction over architectural matters hereunder. The ARC, when appointed shall consist of at least three (3) but not more than seven (7) persons who shall serve and may be removed and replaced at the Management Committee’s discretion. The members of the ARC may be the members of the Management Committee but need not be members of the Association or representatives of Members, and may, but need not, include architects, engineers or similar professionals, whose compensation, if any, shall be established from time to time by the Management Committee. Unless and until such time as Declarant delegates all or a portion of its reserved rights to the ARC or the Declarant’s rights under the foregoing Section terminate, the Association shall have no jurisdiction over architectural matters.

(c) Fees. For purposes of this Section, the entity having jurisdiction in a particular case shall be referred to as the “Reviewer.” The Reviewer may establish and charge reasonable fees for review of applications hereunder and may require such fees to be paid in full prior to review of any application. Such fees may include the reasonable costs incurred in having any application reviewed by architects, engineers or other professionals. The Declarant and the Association may employ architects, engineers, or other persons as deemed necessary to perform the review. The Management Committee may include the compensation of such persons in the Association’s annual operating budget as a common expense.

(d) Waiver of Future Approvals. The approval of the ARC, Management Committee or Declarant of any proposals or plans and specifications or drawings for any work done or proposed, or in connection with any other matter requiring their approval or consent, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans and specifications, drawings or

matters whatever subsequently or additionally submitted for approval or consent.

(e) Variance. The Declarant, Management Committee or ARC may authorize variances from compliance with any of the provisions of the design guidelines when circumstances such as topography, natural obstructions, hardship, aesthetic or environmental considerations require, but only in accordance with its architectural rules and regulations as they may be adopted from time to time. Such variances may only be granted however with unique circumstances dictate and no variance shall (1) be effective unless in writing, (2) be contrary to the restrictions set forth in the body of this document, or (3) stop the Management Committee from denying a variance in other circumstances. For purposes of this Section, the inability to obtain approval of any governmental agency, the issuance of any permit or the terms of financing shall not be considered a hardship warranting a variance.

(f) Limitations of Liability. Neither the Declarant, Association, Management Committee nor the ARC, nor any of their agents, employees, representatives or consultants shall be responsible in any way for any defects in any plans or specifications submitted, revised or approved in accordance with the provisions of this Declaration, nor for any structural or other defects in any work done according to such plans and specifications. In any event, the Declarant, Association, Management Committee and ARC, their agents, representatives, members, employees and consultants shall be indemnified and held harmless by the Lot Owner, including the cost of defending against any such action, claim or demand.

(g) Enforcement. Any construction, alteration, or other work done in violation of this Section shall be deemed to be nonconforming. Upon written request from the Management Committee, ARC or the Declarant, Owners shall, at their own cost and expense, remove such construction, alteration, or other work and shall restore the land to substantially the same condition as existed prior to the Construction, alteration, or other work. Should an Owner fail to remove and restore as required hereunder, the Management Committee or its designees shall have the right to enter the property, remove the violation, and restore the property to substantially the same condition as existed prior to the construction, alteration or other work. All costs, together with the interest at the maximum rate then allowed by law, may be assessed against the benefited Lot and collected as an Individual Assessment. Any contractor, subcontractor, agent, employee, or other invitee of an Owner who fails to comply with the terms and provisions of this Section and the design guidelines may be excluded by the Management Committee from the Project, subject to the notice and

hearing procedures set forth in the Project Documents. In such event, neither the Declarant, Association, Management Committee nor the ARC shall be held liable to any person for exercising the rights granted by this Section. In addition to the foregoing, the Management Committee shall have the authority and standing, on behalf of the Association, to pursue all legal and equitable remedies available to enforce the provisions of this Section and the decisions of the ARC.

(h) Design Guidelines. The Declarant or the Association shall prepare the initial design guidelines which may contain general provisions applicable to the Project as well as specific provisions which may vary from one area of the Project to another depending upon the intended use, theme, design, and unique characteristics of the area. The design guidelines shall include the following items:

The initial Registered Agent shall be Lawrence M. Russell and the initial office of the Registered Agent shall be 10363 West 6550 North, Lehi, Utah 84043.
